Ash and the Final Fantasy Confusion

Ash and the Final Fantasy Confusion!

Ash and the Final Fantasy Confusion!

"Wow!" Exclaimed Ash. "Misty, come here!"

"What is it, Ash?" Misty excalimed.

"I dunno. Ive never seen anything like it!"

Cloud looked at the strangers with no idea who they were. "Do I know you?" asked Cloud.

"No. I'm Ash from Pallet Town, and I'm destined to become a pokemon Master!"

"A whata-whata-whata?" Cloud was comletely lost.

"A pokemon master," Ash said.

"Ok, I'm sure. You're with Sephiroth, aren't you?!"

"Sephiroth? Is that a vegetable or something?" Ash asked.

"A vegetable? Sephiroth... a vegetable? ARE YOU KIDDING ME YOU SICK FREAK!! Sephiroth is a mass murderer and has tried to kill me on several occasions!" Cloud yelled.

"Woah," Mistey commented. "Look at the size of that vain on his head!"

"Hey, it sorta looks like an ekans!" Ash joked. They both started laughing. "So..." Ash said, deciding he should change the subject, "I'm looking for pokemon. I've never seen that one before." Ash pointed to the thing standing next to Cloud.

"Since when is Cait Sith a clokemon?" Cloud questioned.

"POKEMON not CLOKEMON!" Ash corrected. "Well, I'm gonna Catch it! Pokeball go!" Ash threw his pokeball right at Cait Sith. The force knocked the cat right off the stuffed animal!

"Hey?! Why didn't my pokeball work?" Ash asked.

"Probably because Cait Sith isn't a CLOKEMON! You dim wit!" Cloud yelled.

"Temper, temper!" Misty chimed.

"Oh, what do you know you little slut?" Cloud barked.

Misty was shocked. Then she wispered to herself, "How did he know?"

You and you big mouth!" Misty screamed at Ash. "I'm gonna slice you up for telling people!"

"Hey Misty, what'll ya give me for 100 bucks?" Brock shyly asked.

"We'll talk about this LATER, Brock!"

"Well what's the point in being here if that isn't a pokemon?" Ash asked.

"Oh well, I hope the vegetable doesen't kill you!" Ash said as he waved good bye.

"Did Ash tell you about me, Cloud?! yelled Misty.

"Come on Misty, we have to go! Brock said.

"Hey, dont touch me there! You haven't paid yet!" Misty shouted.
